About New Tribes Mission

New Tribes Mission is an evangelical mission committed to reaching people groups who have not yet heard the Good News of Jesus. From its inception in 1942, to the present day, NTM continues to pursue this goal. With a membership of over 2,000 missionaries who work in 32 countries worldwide, NTM's focus is to plant churches amongst the world's least reached people groups. As an organisation NTM is committed to presenting the message of the Bible in the heart language of those it seeks to serve. Indigenous believers are taught to lead their churches and reach out to others, both within their own ethnic group and to neighbouring ones.

NTM-UK Doctrinal Statement

We believe:

1. In the word-by-word inspiration, inerrancy, and final authority of the Holy Scriptures.
2. In one God, eternally existing in three persons: Father, Son and Holy Spirit.
3. In the Lord Jesus Christ as true God and true man; His virgin birth, sinless humanity, substitutionary death, bodily resurrection, present advocacy, and bodily return.
4. In the fall of man, resulting in his complete and universal separation from God and his need of salvation.
5. That the Lord Jesus Christ shed His blood and died as a sacrifice for the sins of every person in the whole world.
6. That salvation is a free and everlasting gift of God, entirely apart from works, received by personal faith in the Lord Jesus Christ.
7. That the Holy Spirit regenerates with divine life and personally indwells the believer upon faith in Christ for salvation.
8. In the bodily resurrection and unending life of the saved with the Lord and the bodily resurrection and unending punishment of the unsaved.
9. The church, beginning at Pentecost, is the body of Christ comprised of those who have trusted Jesus Christ as Savior.
10. It is the church's responsibility to glorify Christ by preaching the Gospel to the world and making disciples of all nations.

We also hold and teach the following positions:

11. The pretribulational rapture of the church and Christ's premillennial return to the earth.
12. The historical-grammatical interpretation of the Bible.
13. That a soul once saved can never be lost.
14. The practice of believer's baptism by immersion.
15. That we do not practice what are commonly known as the "sign gifts".

As Christians it is our goal through our life and through our work to glorify Jesus Christ and to become more like Him. Our basis of faith in NTM-UK is: "The Bible is the inspired Word of God and the sole foundation for faith and practice of all believers." Therefore, it is the Bible which is the basis for our ethics and behaviour as Christians.

All members, associates, students and volunteers of NTM-UK should give their full support and their readiness to live according to Biblical ethical-moral guidelines. In the following we deal with three sub-areas, which are particularly relevant in our present society: sexuality, protection of minors and addictive behaviour.

1. Sexuality

We endorse the Biblical understanding of marriage as a special covenant between one man and one woman. All sexual relations outside of this marriage union are sin.

2. Protection of minors

This is covered by our Child Protection Team. You will be asked to read and sign the NTM-UK Safeguarding Children Policy.

3. Addictive behaviour

We will abstain from any abuse of alcohol, medicines or drugs, etc.

We will not spend an excessive amount of time on things like gaming, social media etc.

We recognise the importance of being purposeful in our avoidance of things on the internet and TV that will cause damage to our walk with the Lord and where possible use suitable measures such as the installation of filters, blocking of certain channels etc.

4. Consequences

We recognise the impossibility of a believer to live a sinless life and would work with anyone who is open and willing to seek any help that we might be able to extend to someone who is struggling in these areas.

There may be a case however, when the seriousness of the offence could lead to dismissal from North Cotes College or even criminal proceedings
